“ Dear Uncle

Thank you for being someone i could always count on to check up on me every week or every couple of days. It truly meant so much to me and now that you are gone i sure have missed those calls. Thank you showing me your love and the love you had for my girls. For us having the same birthday is something i will always remember. The one thing you've always have told me " make sure to be aware of your surroundings keep your head on a swivel". Thank you for being grandpa and grandpa best freind. Give them both a hug and kiss from their brown eyes. I love you and sure going to miss you.
