We sadly announce the passing of our cherished mother, grandmother, sister, aunt, and friend on February 6, 2022 at her home in South Jordan, Utah. Victoria (Germania) was born on September 6, 1940 in Guayaquil, Ecuador in South America. She was the fifth of eleven children born to Moises and Dolores Salazar. She immigrated to the United States in 1968 and resided in a suburb of Los Angeles, California. Victoria, relocated to Utah in 2010 and lived in Tupelo, Mississippi for five years and then relocated back to Utah.

Victoria enjoyed traveling and gardening. She had a natural green thumb which she inherited from her mother as well as her grandmother. Victoria often picked flowers from her own garden and would make bouquets to give to family and friends whenever she would visit them, she never would go empty handed. She loved knitting: blankets, scarfs, hats, kitchen towels, handbags, mittens, and slippers, that she would give as gifts. She spent hours working on word search puzzles, and had an amazing ability for meeting people and making new friends. She loved her family dearly, and making sweet memories with them whether in the USA or her native Ecuador. She was a loving and fun grandmother to all her grandchildren who will miss her tenderness, sense of humor and laughter.

Victoria held many interesting jobs to single handily raise her three children. She worked as a substitute teacher's aide for numerous children centers, a caretaker to the elderly, and a movie extra in various major motion pictures and was a creative entrepreneur. She was an active and faithful member of The Church of Jesus Christ of Latter-Day Saints since 1969.

Victoria is survived by her three children: Kathy Avila of Sun Valley, CA, John (Candi) Shelburne of Tupelo, MS, and Angel Shelburne of South Jordan, UT, her seven grandchildren: Joel, Janelle, Tommy, Isabella, Eva Clare, Chaz and Sarah Kate, her brother Jim Salazar, and two sisters Lolita Salazar and Irene Ramirez and numerous nieces and nephews who loved her, enjoyed visiting with her, and listening to her anecdotes.

“ My heart is very sad knowing the passing of "doña Victorita" is how I used to call her. I'm from Ecuador myself, my brother and I met John and Angel first and they where our first best friends in this country. When they introduced to their mom you couldn't fall in love with her, we used to hang around her house a lot and she was always had food for us and she would get upset if we didn't eat so we knew we had to go without eating any food definitely she was very kind. I still remember the times where she used to give us a ride to school in her truck and it was kind of funny she used to put the side signals way before making a turn. She got along very well with my grandma they use to chat a lot. She was a great person in all the extent of the word. I know her siblings are very proud of her and love her a lot. To me she was an inspiration of a mother working hard for her family and now they are great members of society which I also consider my brothers.
R.I.P Doña Victorita.
